Book File Details:

Review: Embracing Obscurity, by an anonymous author, tackles the dilemmas and dangers of our self-obsession. According to the author, "Embracing obscurity is not about wiping ourselves from existence but rather, voluntarily, becoming nothing in light of everything God is and has promised us. . . . It's about making Him, not ourselves, look good."The author...

Description: No matter how famous someone might be, the fact remains; most of the other seven billion people on Earth wouldn't know him or her from the next person. Add this reality to one's shrinking recognizability among the multiple billions down through history, and the worldly emphasis on standing out really falls flat; we're all in this obscurity thing together....
